# EVANGELISM

## EVANGELISM

Mark 16:15-16 "He said to them, go into all the world and preach the good news to all creation. Whosoever believes and is baptized will be saved, but whosoever does not believe will be condemned"

The above command is given to the church and to each and every Christian.

How can a local church be more involved in carrying out the above command?

How can the local church attract godly men and women to go into mission? Let us consider the following;

1. Church Discipline is important during Missions/Evangelism
2. Sensitivity to the leading of the Holy Spirit
3. Functioning godly Elders and Deacons

## CHURCH DISCIPLINE IS IMPORTANT DURING MISSIONS/EVANGELISM.

The story of Ananias and Sapphira is a good example of church discipline, extreme as it may look but it is an action of discipline. It follows that they grieved the Holy Spirit and the Apostle Peter, instituted discipline on them. This should have scared away the people but we read instead in vs 12 of chapter 5 the following, "The apostles performed many miracles and signs and wonders among the people. And all the believers used to meet in Solomon's colonnade. **NO ONE DARED JOIN THEM, EVEN THOUGH THEY WERE HIGHLY REGARDED BY THE PEOPLE. NEVERTHELESS, MORE AND MORE MEN AND WOMEN BELIEVED IN THE LORD AND WERE ADDED TO THEIR NUMBER.**

**The** above passage clearly tells us how as a result of church discipline, the men of God were regarded with honor for having done the right thing. Each one of us should realize that church discipline is there for the correction of each one of us as children of God. Our conduct as children of God should reflect the resemblance of the character of God. The God we serve is one who is righteous and Holy and therefore it is only right that we be corrected when we have erred. Why do we discipline our children? Is it not for the sole purpose of trying to make them grow up to be responsible citizen? If we can discipline our children in that sense, why then should we shun the act of discipline?

When individual see that we are not shaken by every wind of doctrine that comes by, they would want to associate themselves with us and in so doing, the conduct of our lives will speak to them and when it please the Lord, He will lead them into His Kingdom.

Now how does Church discipline fit in the space of evangelism? Firstly, a disciplined family attractive to those who are watching. It is the envy of each society and many families would want their children to grow and be as well behaved as the disciplined family. The same can be said of Christians who stand for what is right. A disciplined Christian is one who is able to defend the cause which he/she believes in and in doing so, one should have intimate knowledge of what they should affirm. When individual see that we are not shaken by every wind of doctrine that comes by, they would want to associate themselves with us and in so doing, the conduct of our lives will speak to them and when it please the Lord, He will lead them into His Kingdom.

And many men and Women were added to their number after the incidence of Ananias & Sapphira.
