The activities done so fare this year

March 2017— **Theme: Talent identification—Resource person Ps S Banda**

At the start of the year, we planned the following events, which have sine taken place, all to the glory of God. In March 2017, we had an Ice breaking meeting at the Manda's residence (6 Muombo Street, Nkana East) This was the first meeting for the 2017, during which we looked at how we can be able to identify talents in church. The resource person took us through a structured process in trying to identify talents. The meeting was a success and the attendance of 25 men was encouraging.

May 6, 2017 **Theme: Remarrying—Dr. Felix Muchimba**

Our second meeting was held at the Chiyengi's residence. During this meeting, we looked at the subject of Re-marrying. The speaker stated that traditional, social, religious, church and Biblical norms were presented and discussed during the meeting . As believers, the brethren were admonished to be guided by scriptures amongst other than what is perceived to be right or wrong in the eyes of man. We were encouraged from the below scriptures; Romans 7:1-2 KJV

[1] ... Know ye not, brethren, (for I speak to them that know the law,) how that the law hath dominion over a man as long as he liveth? [2] For the woman which hath an husband is bound by the law to her husband so long as he liveth; but if the husband be dead, she is loosed from the law of her husband. ...
