Your Group is Important...
Let's Pray for NEC GROUPS

SCRIPTURE:
1 JOHN: 12-14 (ESV)

12 I am writing to you, little children,
because ^ryour sins are forgiven for his name's sake.

13 I am writing to you, fathers,
because you know him who is from the beginning.

I am writing to you, young men,
because you have overcome the evil one.

I write to you, children,
because you know the Father.

14 I write to you, fathers,
because you know him who is from the beginning.

I write to you, young men,
because you are strong,

and the word of God abides in you,
and you have overcome the evil one.

In the passage above the Apostle John addresses different groups that make up the congregation of God's people. It is important to note that there are different groups of people in the body of Christ. And these different groups are important to the life and ministry of the church. We wish to take time this week and pray for the different kinds of people and their situations. Please feel free to add names of the people as you pray individually or even as a family.

THE MEETINGS OF THE NEC ASSEMBLY

Following the elders' meeting on Wednesday, 1st July, 2020 a number of decisions were made concerning our meetings. Below are the decisions the elders made:

Introduction of a needed midweek meeting on Wednesdays from 18:00hrs to 19:00 hrs. The meeting shall look at various topics, the first one being the Doctrine of the Holy Spirit. The last Wednesday of the month shall be devoted to prayer time at the chapel. We encourage all the members to attend.

The meetings of various ministries can now take place under the strict health measures. This means that these meetings should be conducted at the chapel because it is easier to monitor them. The duration of all these meetings shall not exceed one hour allowed by the health department. Before the meetings for ministries start it will be good for the elders to be notified.

We hope to have the breaking of bread once in a month during the Covid pandemic period. This shall be done during one of the evening services. Be assured of our commitment to take all the necessary measures.

Challenge for Prayer

The Coptic Church is by far the largest body of Christians in the Middle East and is a strategic key for the evangelization of the region. Pray for:

a) ***Church leaders***, especially the Coptic Pope. Wisdom, grace and confidence are needed in handling the Muslim authorities, Islamist persecution and the questioning world. A close walk with God is essential to be both a bridge between communities and an example to their flock.

b) ***A spiritual awakening Church-wide*** in the midst of mounting pressures and communal tensions. Many Copts are very nominal. The responses to Muslim agitation need to be humble and loving but strong, and only those walking in faith are capable of this.

c) ***The biblically based renewal movement*** in the Coptic Church, which has steadily gained momentum since 1930. It strongly emphasizes Bible study and personal faith, and many are fervent witnesses for the Lord. Monasticism sees a rejuvenation as well. Pray for the growth and effectiveness of this movement of the Spirit.

d) ***Christians are numerous in business, the professions and health services***, but overall the Coptic influence within Egypt is much less than their large numbers warrant. Pray that Copts might have a positive and transforming effect in the nation, just as Joseph did millennia ago.
